Rogue Cinema Sleepover Girl - December 2008

Tucky Williams

All About Tucky:

Name: Tucky Williams

Age:

Location: Lexington, Kentucky

Some of my favorite things: meditation, yoga, philosophy, working out, eating, being a dandy, sleeping, watching movies, Russian literature, staying up all night, talking and not talking, and general misbehavior.

Most people would be surprised to know that I: am a meteorologist. I went to school for it and actually had job doing the weather on a morning news show. That was my attempt at having a "real" job. But my heart wasn't in it. I've had to accept that I'm an artist and I'm not going to be happy unless I'm being creative.
Surprising fact #2: I don't do sleepovers.

Hobbies / special skills: I love playing my guitar! I also figure skate, ride horses, and I think I'm a pretty good dancer.

Number of years acting / modeling: I started doing plays when I was thirteen. My formative years were spent in the theater. All the other actors were grown-ups and I was the only kid. That toughened me up.

Favorite genre(s) and or film(s): Gangster movies and action movies. I think the best examples of those genres are Pulp Fiction and Terminator 2.

Acting / modelling gigs that I'm the most proud of: Getting to play an iconic character like Vix in Dead Moon Rising.

What I look for in a potential acting or modeling job: A big paycheck... and nice, juicy characters I can sink my teeth into.
