Some of my favorite things: Old horror movies, horror/sci-fi conventions, The Legend of Zelda series, bunnies, blood, true crime stories, trying new restaurants and shopping.

Most people would be surprised to know that I: was an aspiring fashion designer for a long time. I used to make my own clothes in high school and even directed two fashion shows during that time period.

Hobbies / special skills: Teaching myself web design, building computers, promotional modeling, writing, cooking, baking and sewing.

Number of years acting / modeling: 2

Favorite genre(s) and or film(s): It's easier for me to name directors: Dario Argento, Jose Mojica Marins,

John Waters, David Lynch, H.G. Lewis, Lloyd Kaufman and David Cronenberg.

Acting / modeling gigs that I'm the most proud of: My work with Troma is what got me where I am today, and I'm proud to be an official Tromette for the rest of my life!

What I look for in a potential acting or modeling job: I'm not picky in the least. I do this type of work for fun, and I don't mind adapting myself to whatever environment is required for the job.
