Rogue Cinema Sleepover Girl - March 2010

Katie Stanley

All About Katie:

Name: Katie Stanley

Age: 29

Location: Frankfort, KY

Some of my favorite things: My acting and my girls. Acting has always been my dream, and my passion in life. Its all I have ever wanted to be and do. My girls are my reason for living. And are everything I hold dear to my dear.

Most people would be surprised to know that I: I am terrified of spiders, tad bit scared of the dark, I will not swim in water I if I can't see the bottom, but it doesn't keep me from enjoying myself. I am a tomboy as

much as a girly girl, and Thai food has become my latest obsession.

Hobbies / special skills: Acting, horseback riding, camping and canoeing, fishing, and being outdoors. I enjoy life and every aspect of it. I love my family and friends, and spend as much time with them as I can.

Number of years acting / modeling: Twelve years, but heavily for the past seven.

Favorite genre(s) and or film(s): I love all genres. As long as the movie keeps my attention, grabs my interest, makes me roll of the couch laughing, makes my cry-whether good or bad, or makes me want to fall in love.....then it's a great film.

Acting / modeling gigs that I'm the most proud of: Intrusion is the film that started the whole thing, and gave me my first lead role. Thanks Craig Earl! Since then I have had the privilege of working with so many great cast, crew and directors, such as, The Booth Brothers from Spooked TV on Sci-Fi, Anubis Digital Productions, ZP International (HELL-EPHONE), Feathered Italian Films (The Legacy), Epic Films, John Michael Montgomery, Fenders Den of Sin, Cave Cricket Studios, and countless trailers and music videos, along with so many others!

What I look for in a potential acting or modeling job: I look for a role that I can make my own. One that I can really explore and bring to life. One that will catch attention, and keep people interested. A character I can always be proud of.
