

Rogue Cinema Sleepover Girl - June 2010

How could we have had anyone but the Queen of the Sleepover Girls, Rachel Grubb for our 6th anniversary issue?

Rogue Cinema Sleepover Girl - June 2010

Rachel Grubb

Here's what's been going on with Rachel:

Thank you, once again, Rogue Cinema, for making me your Sleepover Girl! I am honored to have been chosen for your anniversary issue. I'd just like to take this time to let you know about some of my movies that are now available.

My horror movie *CAMP KILL* (<http://www.imdb.com/title/tt1473785>) is now available on DVD. It stars me, Scarlet Salem, Jennifer Prettyman, Landyn Banx, and many others. It is available for purchase directly from the website: <http://campkill.com/catalog.html>

TERROR OVERLOAD (<http://www.imdb.com/title/tt1277402>) is now available! The horror anthology from NFTS Productions is out on DVD, and you can order it [here](#). I play several different characters in *TERROR OVERLOAD*, which also features Joe Knetter, Scarlet Salem, Ari Lehman, and other NFTS regulars.

Another horror anthology I was in *THE HORROR VAULT*, is out on DVD, this time with parts 1 and 2 together. I play Shelly, the lead role in the horror short *RETINA*. On sale now at [Amazon](#).

I have a lot of upcoming projects I'm working on, such as *PROJECT ACHILLES*, *THE KILLER WITH THE PUNCTURED HEART*, *BAD GIRLS BURN IN HELL*, and *SCREAM QUEEN CAMPFIRE*. *THE TELEPHONE GAME* is still in post production, and will be available soon.

There is a lot going on with Silent-But-Deadly Productions right now. My partner, Brooke Lemke, has relocated to LA. I know some people have been wondering what would happen to Silent-But-Deadly after she made the move, and I'm happy to say that we are still going strong. Brooke and I still communicate just as regularly as we did before, and we're looking forward to expanding the scope of our production company.

We have another feature film in the works called SKY IS FALLING, and we have received distribution for WHY AM I IN A BOX? (<http://www.imdb.com/title/tt1204984>) with Brain Damage Films (<http://www.braindamagefilms.com>). Silent-But-Deadly has our own DVDs for sale [here](#). The official release date is December 7th, at which time the new DVD will be available with audio commentary by me and Brooke!

You can also support Silent-But-Deadly by buying some of our [merchandise](#). We have t-shirts and hoodies with our logo, as well as "grindhouse" shirts featuring me and Brooke.

Last but not least, I have two unique trading cards available from TerrorCards.com. You can order the Scream Queen card, or the Blood Edition.
